

Echinacea (Purple Coneflower)

Organic, NON GMO

These seeds highly recommended by
JB Binkerton

Native Perennial Seeds

Lovely wildflower native to North America with lavender petals surrounding a reddish-orange cone center. Parts have purported medicinal benefits.

Information: www.bunniesinbaskets.org

JB Binkerton lives in Belchertown, Massachusetts. JB is 6 months old. He loves socializing, going for car rides, climbing stairs to explore the house, and binkyng!

Packed for 2015

\$3.00

Bunny Forage Mix

Organic, NON GMO

These seeds highly recommended by
Cottonball

SO Healthy for Bunnies!!!

This organic mix of mostly perennials contains Timothy Grass, Dandelion, German Chamomile, Borage, Lemon Balm, Comfrey & Peppermint.

Information: www.bunniesinbaskets.org

Cottonball lives in Littleton, Colorado. She was born Mar. 2014. Her favorite hobby is jumping into laps and jumping out, pushing hands onto her head as if to say "scratch right here please," and digging in the yard!

Packed for 2015

\$3.00

Sweet Bunny Basil

Organic, NON GMO

These seeds highly recommended by
King Leonidas I

Basil - Sweet - Ocimum basilicum

Annual Sweet basil is slow-bolting and makes a wonderful pesto, and is a great choice for taking to market. Its dark-green leaves are broad and uniform.

Information: www.bunniesinbaskets.org

King Leonidas I "Leon" lives in Lake Villa, IL. He is a Flemish Giant. He is super sweet and loves to be petted. His best "non-bunny" friend is Jack, a black Labrador!

Packed for 2015

\$3.00
